Season of Change

[PLUCKED STRING MUSIC]

(SINGING)

Pack my bag/taking off for the weekend
Sonic lag/I don't care what your preaching
Wave your flag/ill be over here sleeping
Going stag/you don't have what I'm seeking

Only I can believe in this evening
Only I find relief in the season/

Season of change/
Season of change/

And you're lost/crushing souls without purpose/
I'm put oft/how could you not know what hurt is/
Life's too soft and my system too nervous/
Dreams aloft/ that is where I prefer us

Only I can believe what cure us/
Only I find relief in what serves us/
Only I find relief in what cure us/
Only I/

Season of change/ x 4

hey/ reap what you say/
save what you sew/

hey/me need to be saved/
saved me need to know/

I've been waiting for you/
I've been waiting for you/

Me you need to know/

I've been waiting for you/
I've been waiting for you/

Me you need to know/

I've been waiting for you/
I've been waiting for you/

Me you need to know/

I've been waiting for you/ x 4

Me you need to know x 3
